ADDITIONAL INFORMATION

Designed to reduce harmful Cryptosporidium & Giardia cysts, rust, dirt, sediment, chlorine, algae and chemicals leaving beautiful fresh drinking water.

Easy Home Installation

This premium filter system easily fits under your existing kitchen bench. All plumbing fittings are included for easy installation. It comes with a designer faucet with LED that turns from blue to red when the filter needs replacing.

Hygienic Quick Cartridge Changes

The valve-in-head design shuts the water off automatically, which means no mess, the cartridge can be easily replaced - just like changing a light globe. Enjoy water the way it should be, abundant, clear and beautiful tasting from your own water supply, any time of the day.

Longer Filter Life

Using the latest carbon briquette technology that gives up to 12 months filter life. It incorporates Puretec's long life filter technology, so you can go longer between filter replacements.
